

High in the Pindos Mountains of northern Greece, is a side of the country that eludes most, but captures the imagination and the hearts of all who journey here. It's a place of vibrant landscapes and storybook villages, with a rich cultural heritage.

This is Zagori, and at the heart of this gorgeous and untamed region is Aristi Mountain Resort & Villas.

Its traditional stone exteriors reflect the character of the region, while the elegant interiors of its 24 rooms suites and villas provide a soothing sanctuary after a day of adventuring. Aristi is a magnificent base for hiking, rafting, and horseback riding through the dramatic landscapes, but it also serves as the prime podium from which to view them. The spectacular Vikos Gorge is almost ever present and the scenery shines brightest from the terrace at sunset, when the valley's presiding cliffs light up in brilliant shades of pink and violet.
